**PODCASTING** is quite simply the ability for people to download programs automatically from the Internet and store them on their PC or portable sound player to listen to whenever they like. Some people have never heard of podcasting. Others are avid users.

But it's a huge, global phenomenon... and is only set to grow. All of our programs are available to today's Internet-savvy generation by podcast as well as radio.

Just visit [www.christianityworks.com](http://www.christianityworks.com). *It's so easy to do!*
