## An Amazing Story of God's Power

*What the Lord is doing through your support*

**This story will only take you a minute or two to read ... and you'll be so glad you did.**

Bhaktar Yacham was born into a Buddhist family in India in 1957. He grew up to become, in his own words, "a tough businessman", but ...

*... I always discouraged because I felt empty and carried feelings that no one loved me in this world.*

*Three years ago, my life changed completely.*

*I meet an old Pakistani friend of my teenage years in Hyderabad and few hours we spent*

*together he was talking to me about his happy joyful life as a Christian.*

*... he left behind some of Christianityworks radio CDs. I was wondering what I had to do with Christian stuff! Yet I often found myself in my room listening careful to teachings through those CDs and later started to listen to more them online.*

*One day God spoke so clearly to me through one program: "Don't be afraid or discouraged, for I am the Lord your God and I am with you wherever you go" (Joshua 1:9)*

*This word brought great peace to my heart and I accepted Jesus as my personal Saviour...*

*(continued over)*

*...and I accepted Jesus as my personal Saviour and Lord.*

## A Word from Berni

**God so loved the world that He sent us His Son.** God is a Global God. God is an intimate, personal God. Should we be surprised at a story like Bhaktar's.

The Global Impact Appeal is all about partnering with the Lord in seeing many more stories like Bhaktar's around the globe.

**Thank you for joining me in serving the Lord,**

*\$76,500 to be raised for the Gospel to be broadcast to over 1000 communities!*

## An Amazing Story of God's Power

*What the Lord is doing through your support*

*...and Lord. I was baptised and now my whole family have given their lives to Christ – my wife, three daughters and my mother who is in her last days.*

Since that time, Bhaktar and his family have moved ... wait for this ... to Juba, the Capital of South Sudan in Africa, where he is planting a church!

*Since we arrived, it has been so difficult to find church and we have been struggling very much as new Christians. But really, God saved us once again, because Christianityworks is on Radio Liberty here in Juba!*

*We cannot believe it! I ask why these programs are following me everywhere I go?!*

*We listen every Friday before we go to bed and now I sleep each night in peace. We were hungry for God's love ... and He found us through you.*

*I do not have enough words to express how I thank Christianityworks people for the job that they are doing.*

Only God could do something like that! What a miracle of grace.

But it's a miracle wrought through you – your prayer and your support – as you joined hands with the team at Christianityworks.

Grace is inevitably a double-sided transaction. He blesses the ones who receive – Bhaktar and his family – but He also blesses the ones who give.

Be blessed!!!

**Free Gift to You**

**Just recently, we've been broadcasting the series Rekindling the Flame – based on Paul's exhortation to Timothy to "rekindle the gift of God that is within you" (2 Tim 1:6).**

We each have a unique gift or ability, that the Lord plans on using for His glory. Whether it be in India and South Sudan, or at home, next door, or across the street.

God knows what His plans and purposes are for our lives, and sometimes we too need the exhortation, to rekindle the gift of God that is within us!

That's why I would love to send you a **FREE** copy of this latest booklet – **Rekindling the Flame** as our gift to you.

To order your free copy, check the box on the enclosed form, and return it to us as quickly as possible – because our stocks are limited.
